

A juried fiber arts exhibition recounting and revering the tales fiber can reveal, with morals, legends, and myths as the influential yarn twists. The stories may be personal, filled with historical encounters, or fairy tales designed to reveal the hard work behind creative and clever craft. Tall tales filled with characters that have idealistic goals, unrealistic demands, and stubborn natures can be illustrated and brought to life through threads and fluff. The exhibition is open to all fiber arts media.

DEADLINE AUGUST 1, 2012
