SEQUIM MUSEUM & ARTS CENTER
VETERAN'S MEMORIAL

Sequim's Museum & Arts Center is proud to announce the expansion of its Veteran's Memorial. After the dedication of the Veteran's Memorial during the Veteran's Day holiday of 2003, there has been increased demand for additional tiles honoring and memorializing our service veterans and recognized service organizations.

As a result, there will be an immediate open period to allow individuals to order engraved tiles with the names of veterans of the various branches of U.S. military service (Army, Navy, Marine Corps, Air Force, Coast Guard & Merchant Marines) or the name titles of the service groups (Disabled American Veterans, Marine Corps League, etc.).

All tiles measure 5 3/4" square and may be purchased for \$30.00. Inscriptions should include service rank (if desired), name, dates of service or period (WWII, Korea, Vietnam, etc.), and branch of service. A representation of the appropriate service insignia may be added for an extra \$2.00. Above the inscription may designated "IN HONOR OF", or if deceased, "IN MEMORY OF". Those ordering to honor a service organization should include a representation of the group's official logo or insignia and the total cost is \$32.00.
